

Good days start at night

Kornö is our regular continental bed with separate base and mattress system. With extra long spring depth, a wonderful feeling of weightlessness is created.

The bed is also equipped with our Patent Pending pressure-relieving bottom segment under the mattress pocket spring system, which is the key to Carpe Diem's comfort excellence.

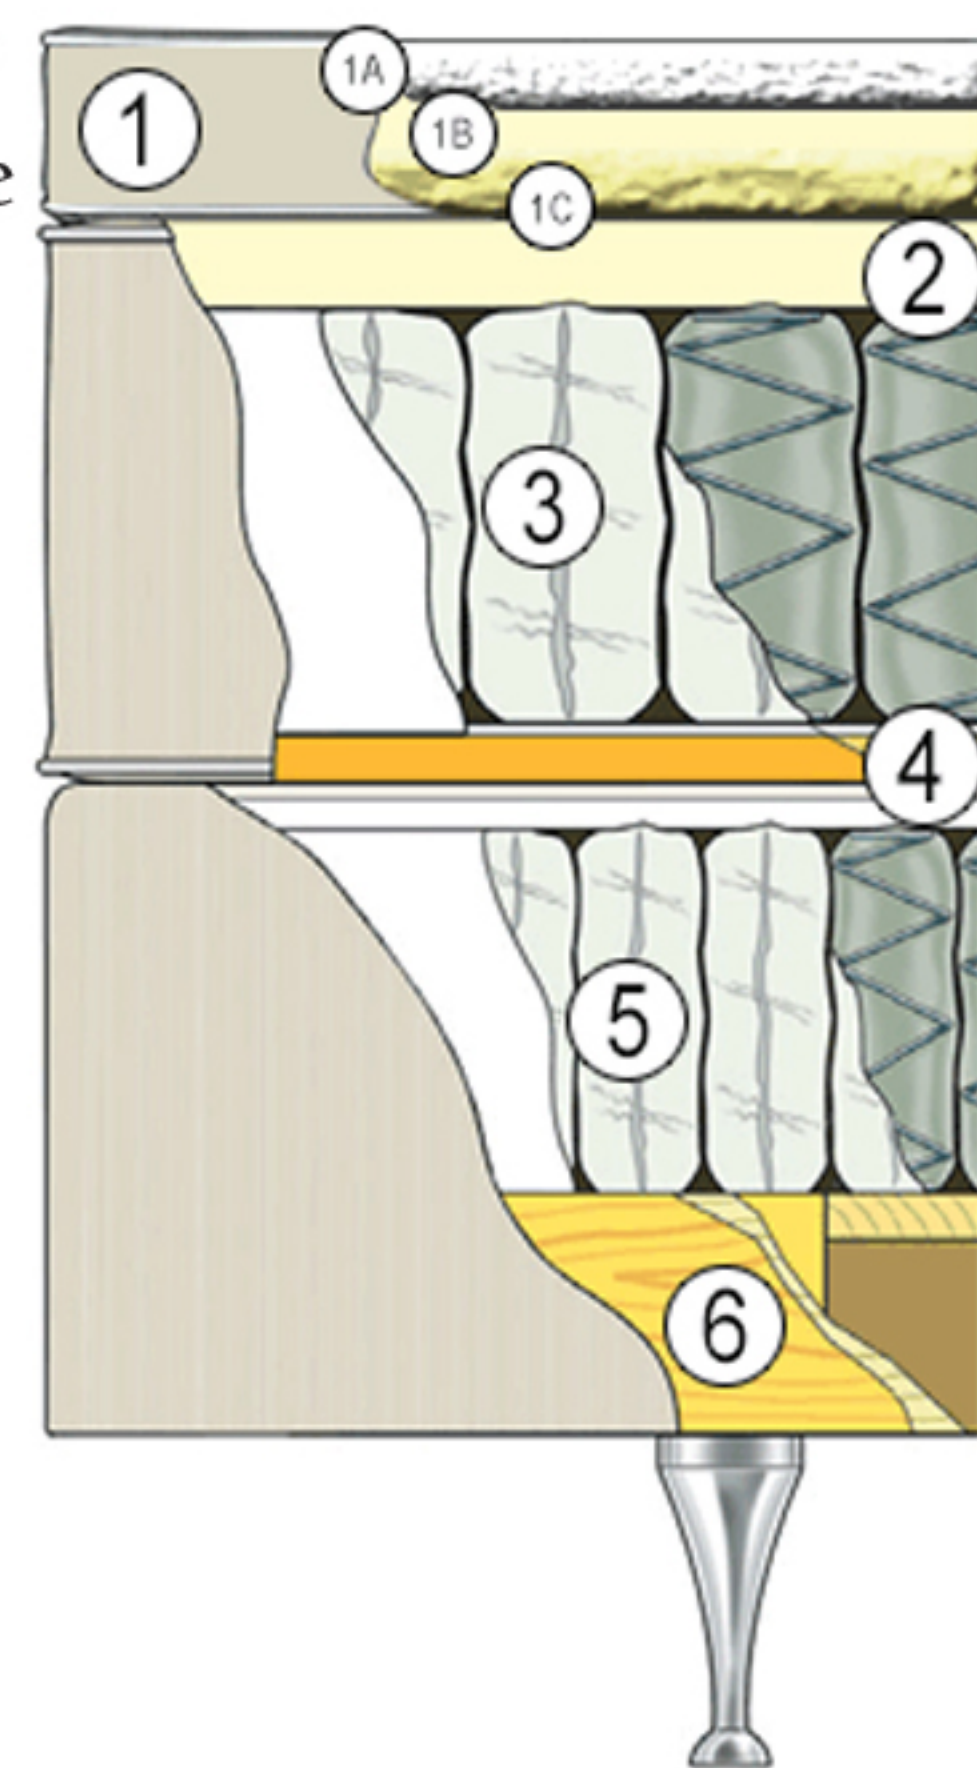

The bed was designed to be as beautiful to behold as it is pleasant to sleep in. In other words, when you choose a Kornö you will receive a beautiful and comfortable piece of furniture that defines the bedroom.

KORNÖ »Continental«
