

*Good days start at night*

Härmanö is our luxurious continental bed with separate base and mattress. Deep springing creates a wonderful sensation of weightlessness.

Beneath the mattress pocket spring system this bed also features our patented pressure-relieving base, which is the secret behind a truly comfortable bed.

To ensure you sleep just as well all year round, Härmanö has a reversible top mattress with a wool-filled winter side and a cotton-filled summer side.

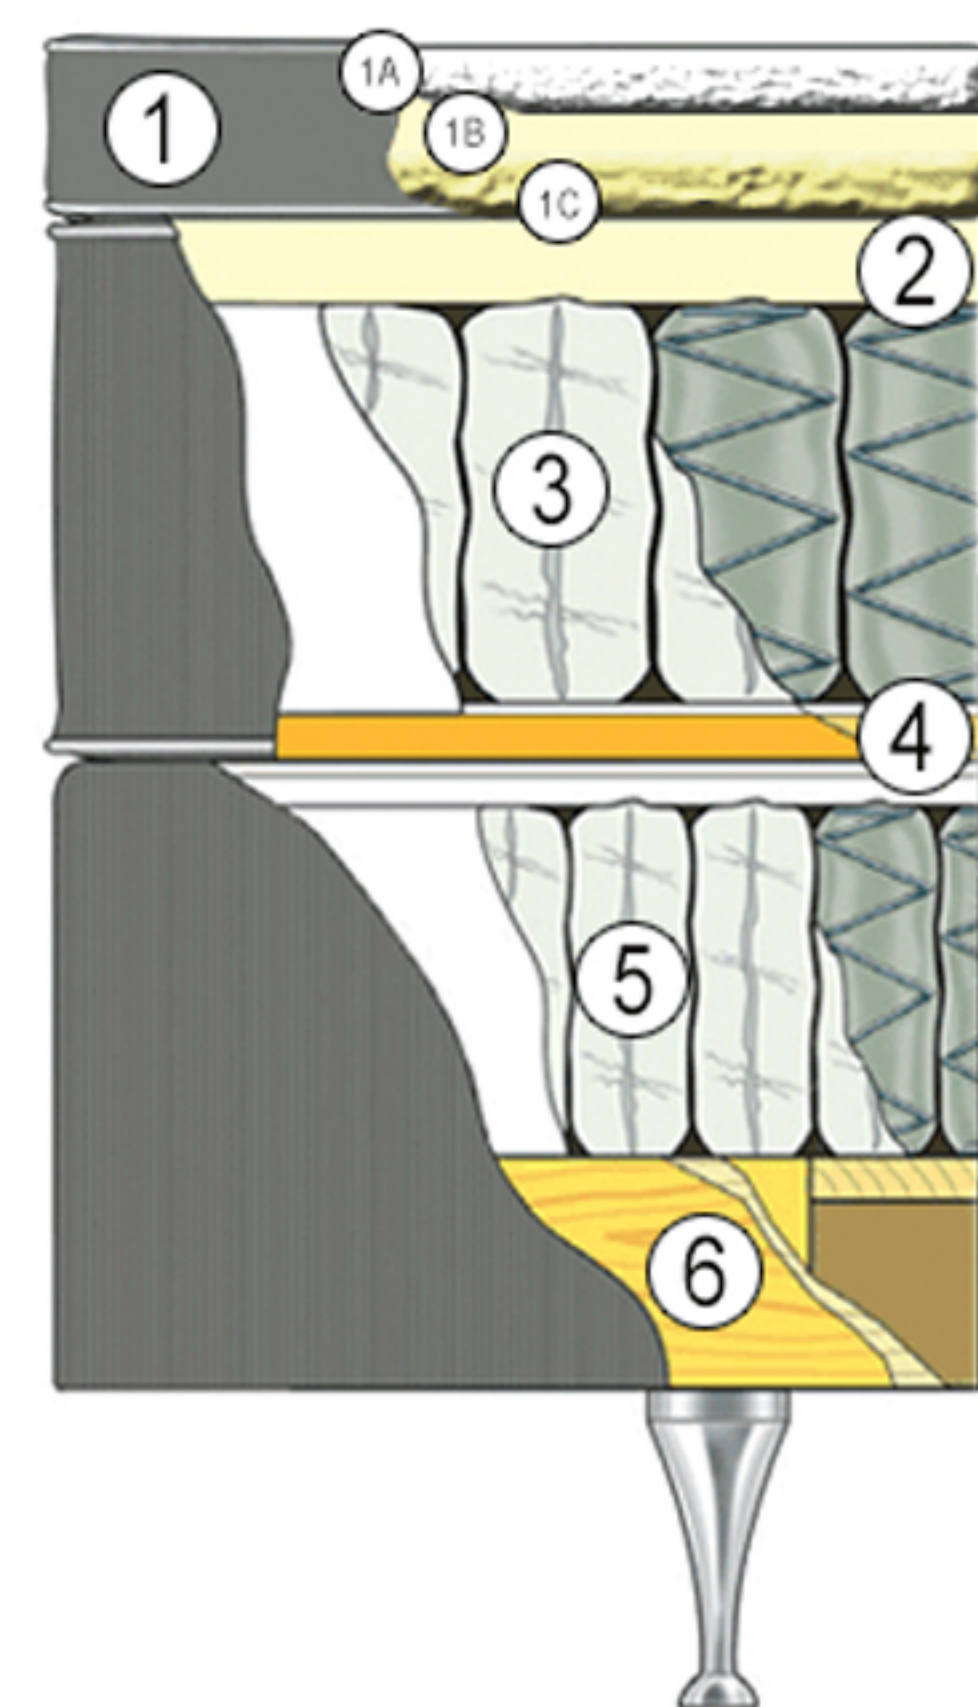

Härmanö is covered with a durable new fabric in grey and is finished off with our exclusive metal Sail legs.
