

KOSTER

Good days start at night

Koster is our starting model with all the qualities that characterise a Carpe Diem bed – the excellent comfort, the fine craftsmanship and our Patent Pending pressure relieving bottom segment.

Koster is hand produced with materials of the highest quality. You can easily match your bed and bedroom by choosing a fabric color and bed legs that suit your taste.

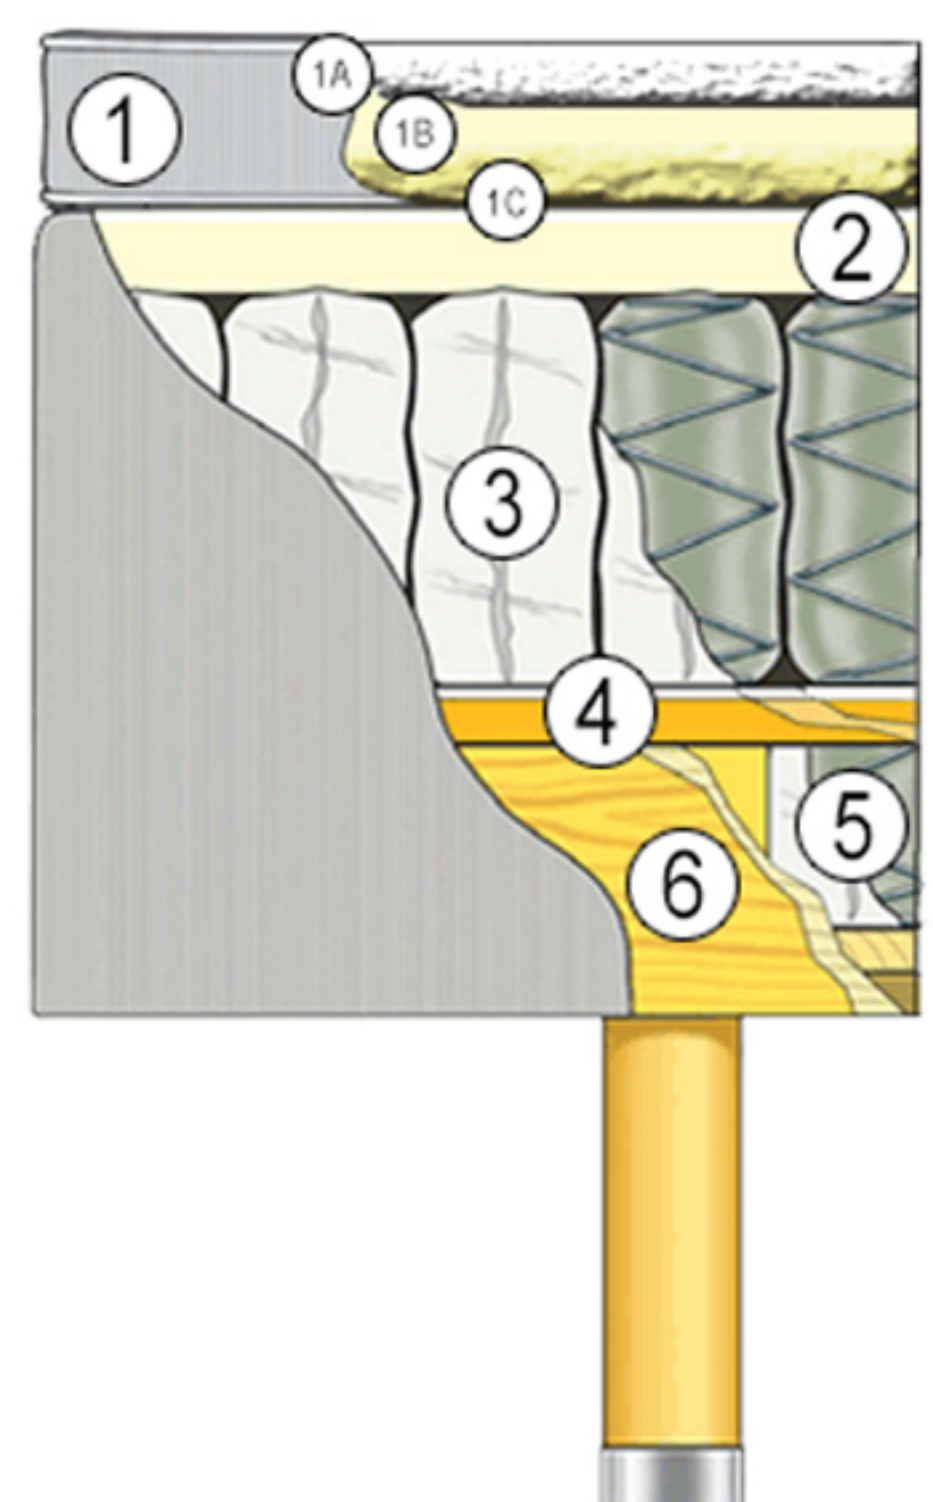

When you choose a Koster, you are getting a beautiful, comfortable and affordable bed, which will help you wake up rested every morning for many years to come.
