

SANDÖ

Good days start at night

Sandö is Carpe Diem's most popular continental mattress set fitted with our Patent Pending segment system for controlled surface rebound. This allows for a proper body weight distribution in plush comfort.

Our Exclusive top mattress is added to enhance de-stressing with one side lined in soft cotton and the other side with certified New Zealand wool.

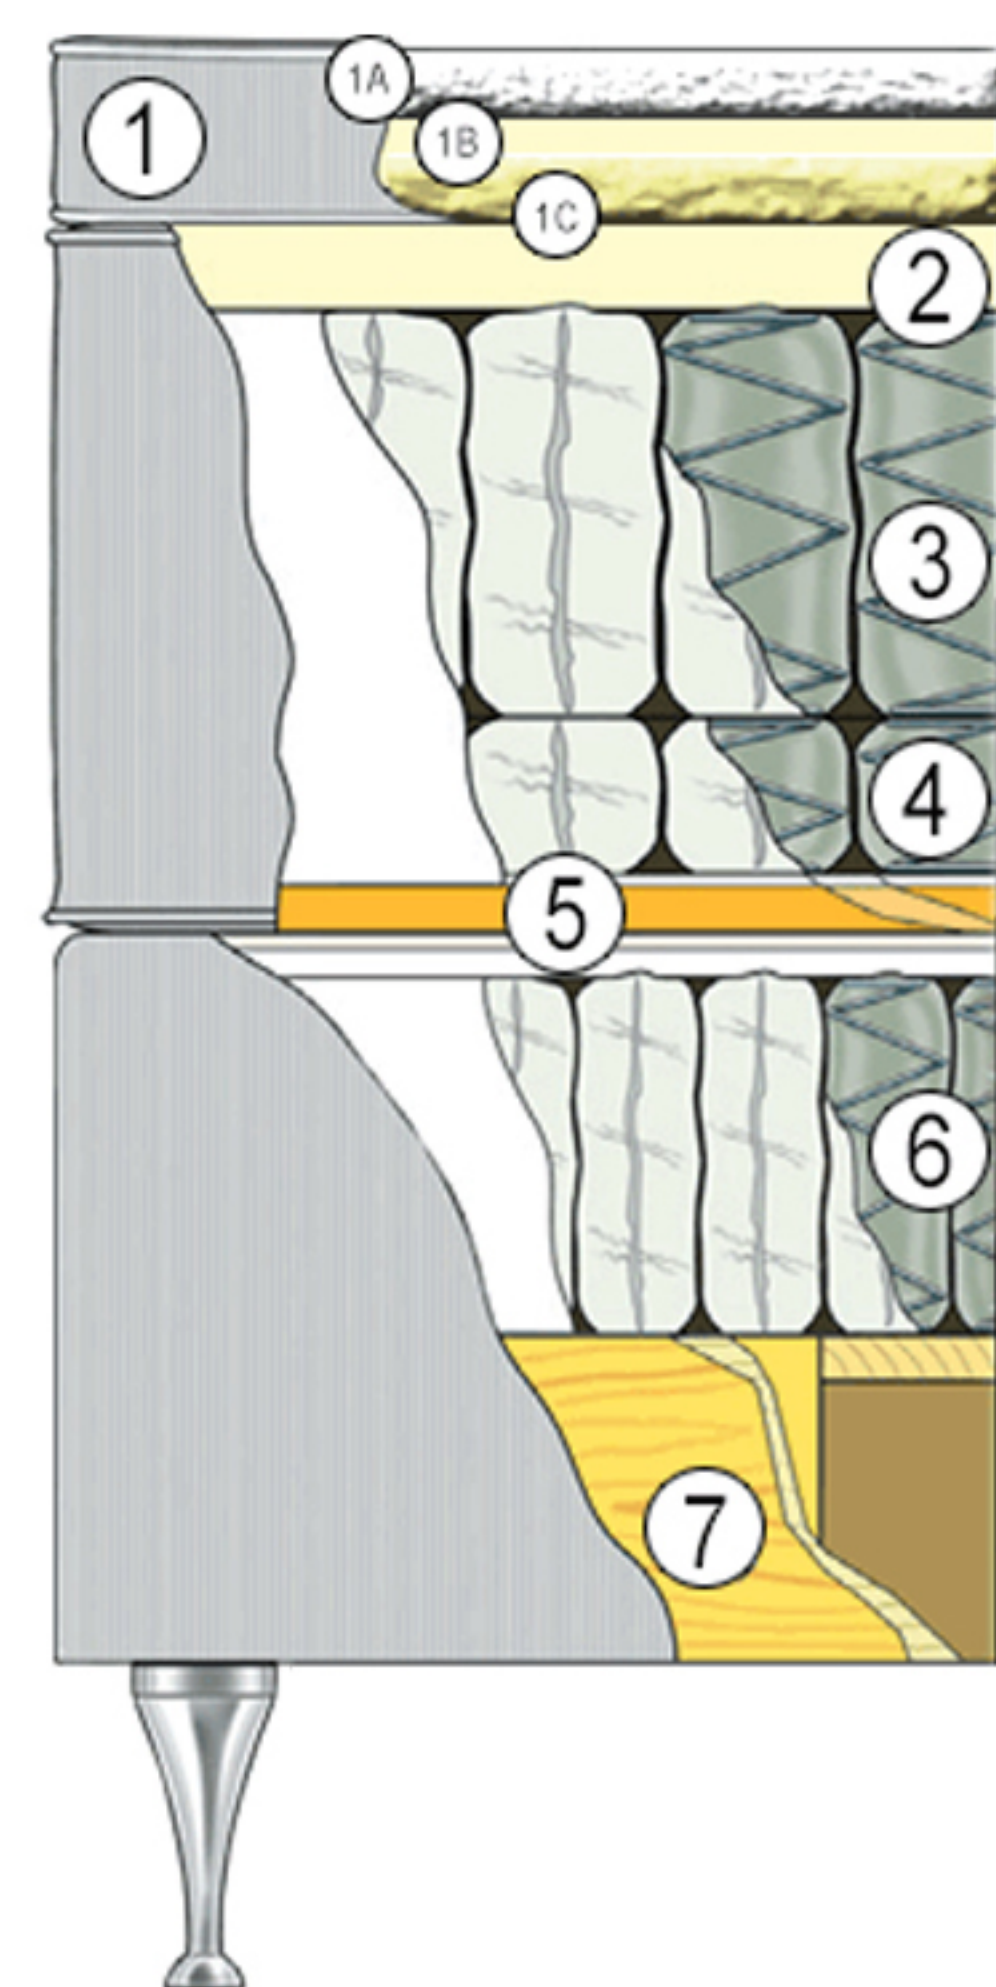

On turned champagne metal legs and Swedish designer fabrics from Pelle Vävare, Sandö looks stunning in any room.
