

SKAFTÖ

Good days start at night

Exquisitely designed with unparalleled comfort. Carpe Diem has created the ultimate in mattress comfort with the introduction of mid-body leveling adjusters operated by wireless remote control. Built by hand with personalized firmness levels for both sides of the mattress, the Skaftö allows you to fine tune your position to suit your sleeping habits.

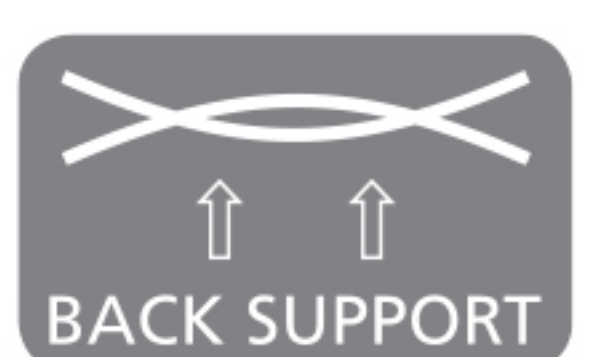

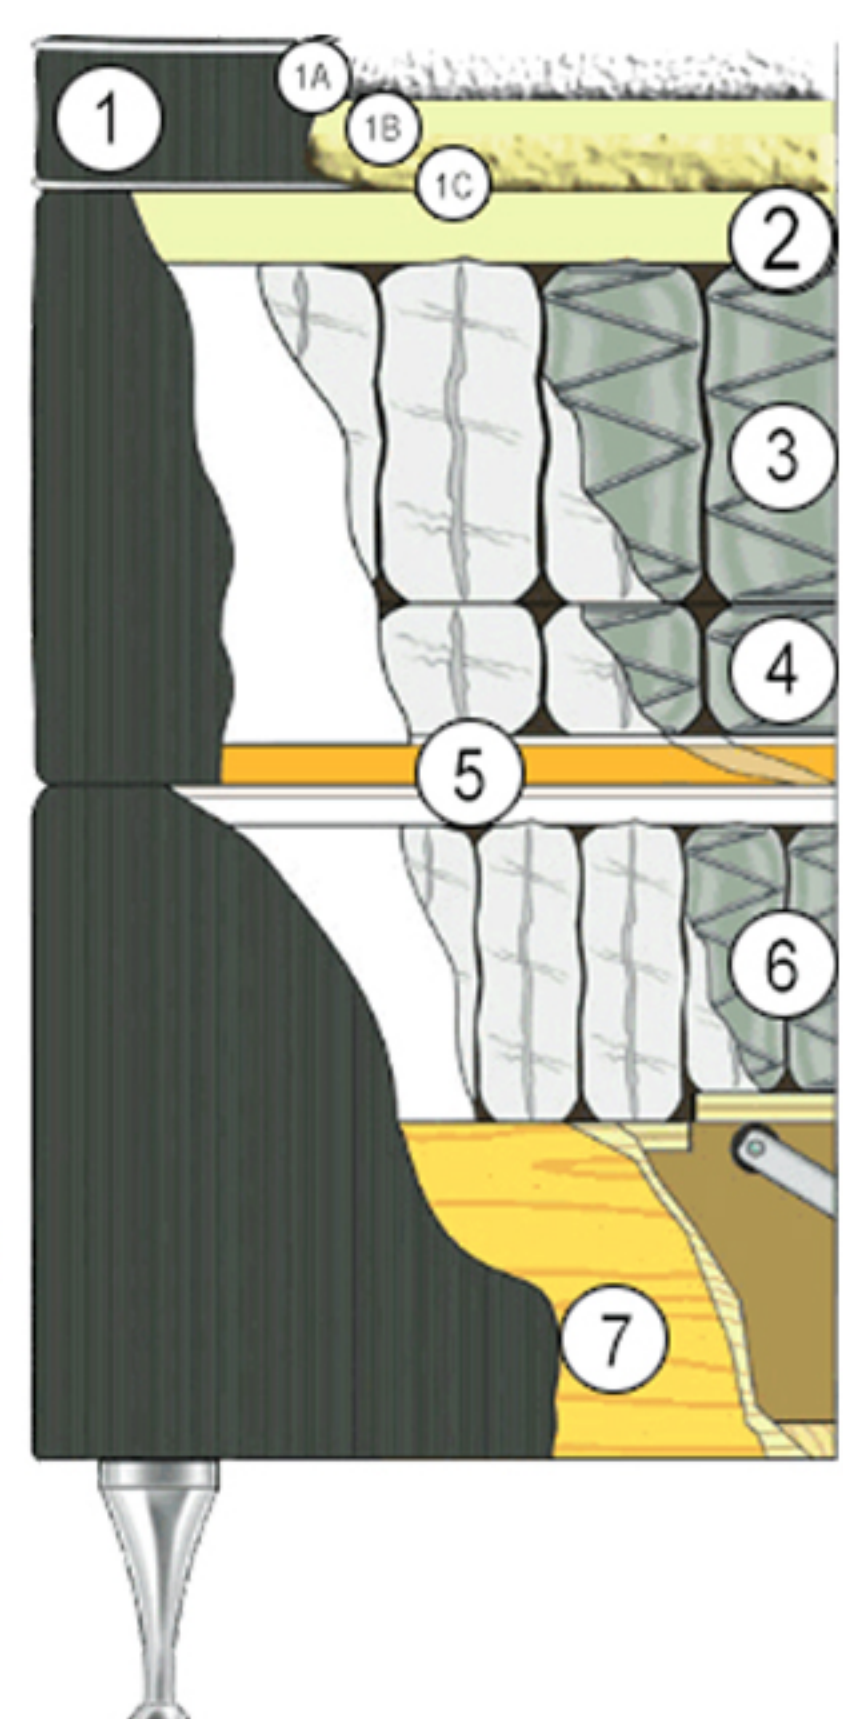

Our Exclusive top mattress soothes your body with one side filled with certified New Zealand wool and the other with soft cotton to keep you comfortable in any season. Innovation, bold contemporary design and deep comfort are all qualities delivered with every investment made in one of the world's most luxurious brands for rejuvenation through superior sleep. Together with our Sail bed legs, Skaftö creates a lovely bedroom setting, with that little extra.
